

CUT SHEET 7196 Series fOCAL Cool Pulls

ABOUT THE 7196 SERIES COOL PULLS

A "Cool" entry pull for all types of climates from hot to cold. Aesthetically pleasing, it is also comfortable to the touch in either cold or hot temperatures. The black PVC coating provides insulation when hands touch the pull. This adaptable pull is also field sizeable from 8" to 10" or 12" CTC.

FEATURES

- PVC coating reduces pull temperature up to 30 degrees and includes carbon to resist ultraviolet deterioration.
- Manufactured from stainless steel, bronze or brass.
- Economical way to add modern design and style to openings.
- All architectural finishes are available to match other hardware.
- Made in the USA and ADA compliant.

APPLICATIONS

- Hospitality
- Commercial & Industrial Buildings
- Retail & Strip Mall
- Multifamily & Mixed-Use
