Title 40 CFR 372

Toxic Chemical Release

9/1/2012

The products that are manufactured and supplied by Triangle Brass Manufacturing Company Inc. and/or Trimco are defined as “Articles” under the provisions of Title 40 CFR 372.3 “Definitions”: Articles produced by Triangle Brass Manufacturing Company Inc. and/or Trimco comply and are within the requirements for exemption for reporting under part 372.36 6 “Exemptions” because they are a “manufactured item: (1) which is formed to a specific shape or design during manufacture; (2) which has end use functions dependent in whole or in part upon its shape or design during end use; and (3) which does not release a toxic chemical under normal conditions of processing or use of trade item at the facility or establishments.”

The above statements are true to the best of our knowledge and our interpretation of the regulations that are cited as of the date noted above. Trimco believes that the above is true as of this date, but we cannot warrant these statements will be valid or true as a possible result of any changes or change of interpretation by any court or any government entity. In such case(s) Triangle Brass Manufacturing Company Inc. and/or Trimco shall be held blameless.
