

"A" – Cast Strike

"B" – T-Strike

"C" – ANSI Strike

ABOUT THE 1559 HEAVY-DUTY ROLLER LATCHES

Trimco's 1559 Series Roller Latches are designed for heavy-duty applications, and are perfect for hotel room closet doors and high-use situations. An adjustable nylon roller enables the owner to customize the force required to close and latch the door.

FEATURES

- Designed for high-use applications where a heavy duty roller latch is required.
- Adjustable Nylon Roller.
- Manufactured from brass or bronze.

APPLICATIONS

- Hospitality
- Multifamily & Mixed-Use
- Offices
- Assisted Living
- Government Facilities
