*710 Healthy Hardware
available for bent options
only.

Notes

- Leather wrapped options available
- Leather wrap coverage stops 0.5" +/- 0.25" from the pull bend radius.
- Additional finish options - contact customer service
- * For J & M mounting options, specify Riv-Nut for metal doors or bushings for wood doors, if required.
- ** Glass Door Mounting options for 3/8" & 1/2" door thicknesses require a W-Mount hardware kit.
